How does it work?

You can choose from either:

The MonsterMats Project

or

The MonsterMats 2 Stage Project

The MonsterMats Project - 1 handprint per child, 7 product choice

We provide drawing frames and a pack of sample products for you to display.

Each child produces a handprint on these drawing frames.

You display the artwork in your Pre-School/Nursery and invite parents in to place orders for our products. Alternatively you can send the artwork home with an order form. Protect any artwork sent home in an envelope as we cannot work from damaged pictures.

You collect the money and orders from the parents. You keep your profit and send the total order to us for manufacture, with the pictures and payment.

We manufacture your parents orders featuring their childs handprint artwork and return them to school.

The MonsterMats 2 Stage Project - 1 handprint picture per child, 7 product choice + 2 selling opportunities

Extra sales - Extra profit

1st Stage: You complete the handprint artwork and send it to us. We make a **MonsterMat** for each child from a copy of their picture and return them to school along with a sample pack containing all our other products.

2nd Stage: You display the MonsterMats in your pre-school/nursery and invite parents to buy them **and** place additional orders for any of our other products. Send the MonsterMats home with the children if you prefer.

You collect the money and orders from the parents, keep your profit and send the total 2nd stage order to us for manufacture. Payment for the MonsterMats you have sold and all additional orders must be sent with your order. We manufacture your goods and return your order to your Pre-school/Nursery.

You only pay for the MonsterMats you have sold. You will not be charged for any unsold MonsterMats which you return to us with your order.

How long does it take?

The MonsterMat Project

The project can normally be completed in half a term. We recommend that you allow six weeks from starting the handprint artwork to receipt of the parents orders.

The MonsterMat 2 Stage Project

Takes a little longer because we have to make the 1st stage MonsterMats. We recommend that you allow the whole term from start to finish. If the children make their handprints early in the term you will receive your orders before the end of term.

When do I pay for my order?

Payment for The MonsterMat Project is sent with your order. You will have collected the money from parents and taken your profit before you send payment to us.

Payment for The MonsterMats 2 Stage Project is sent with your 2nd stage orders. Remember you have to pay for all 1st stage MonsterMats you sell, but you don't have to pay for those you are returning. You collect the money from parents, keep your profit, and send payment with your order. A single cheque is required.

Which project should I choose?

Make extra money with The MonsterMats 2 Stage Project!	
The MonsterMats Project	The MonsterMats 2 Stage Project
Takes six weeks from start to finish.	Takes a term from start to finish.
Very easy to organise	MonsterMats 2 stage project requires a little more organisation than the project.
Excellent sales and profit potential, but sales will be lower than the 2 stage project. The 1st stage MonsterMats always stimulates additional sales.	Generates more profit from the sale of the 1st stage MonsterMats. These will be bought by most parents even if they don't order anything else. Most parents will also order many more items.

What do I do next?

If you would like more information:

Call our helpline on 01684 893842 or find us at www.funmats.co.uk
Please phone for a free MonsterMat sample

If you would like to organise a MonsterMats project:

Our production is planned well in advance so it is essential that you register with us. Call to discuss dates and how long to allow for your order. We will complete a booking form, and then fax, or post a copy to you. Having checked that all the information is correct, sign and return the form to us.

We will then send you all you need to get started.

Remember.....Our helpline is available 8.30 - 5.30 Monday to Friday if you have queries as you go along.

Telephone: 01684 893842
